

March 1, 2004

Dear Mr. Martin,

Thank you for taking the time to contact us. As you know, your personal safety is not being compromised by our prohibition of concealed weapons in our restaurants. You write that the "politics of gun control aside..." but that is exactly what this is.

We prefer that the only people in our restaurants with weapons are police officers.

Sincerely,

A handwritten signature in cursive script, appearing to read "Craig F. Maier".

Craig F. Maier
