**Ohioans For Concealed Carry would like to invite our members to join senior OFCC staff at the Fourth Annual Original OFCC Fun 'n Gun!**

This fun event will be hosted this year by the Tactical Defense Institute! This event will be a combination of basic tactical training and IDPA type scenario shoots. Geared for both beginning and advanced shooters, it promises to be a day of fun for all.

Join instructors from both OFCC and TDI as we kick off spring with a bang!

100% of the proceeds from this event will go to the OFCC PAC to help fight to get representatives elected to the Ohio legislature who will represent YOUR rights!

Shooting stages at the event will simulate conditions you might encounter in real life concealed carry situations. Feedback from the instructors will help you to hone your tactical skills.
