**A MESSAGE FROM TIM HAGAN**

My Friends in the UAW,

I have watched the Ohio Legislature deal with the concealed carry issue and I want to say something to my friends who belong to the UAW. What is the current Governor and Republican dominated legislature doing? Every state office is under their control and yet, they haven't passed any such legislation as they promised to 6 years ago. It would seem that, on many issues, they make promises they never keep. Shame on them.

I am aware that a large number of the UAW membership supports some form of concealed carry in the State of Ohio. And so do I. I support a plan that is safe, does not allow guns to fall into the hands of children and that the people who ask for and receive the permit to carry are law abiding citizens. Forty-four other states have the permit to carry making the state of Ohio a place that is not keeping up with the modern world we live in.

I am supporting a safe bill that will be similar to Pennsylvania and other states. I am NOT running for Governor to take away your guns. I am running to address the serious problems with the budget, school funding, prescription drugs and the lack of leadership we have had the last 4 years. I need your support and vote on November 5<sup>th</sup>.

In Solidarity,

Tim Hagan
